Guidelines for Performance

- Acts of any kind are acceptable as long as they are appropriate such as: music, dance, poem, dramatic reading/skit/monologue, recitation, martial arts, cheer, sports or creative act of any kind.
- Time limit: 3 min or under (unless you receive special permission); Acts may be shortened depending on auditions and numbers.
- Mrs. Nikkel and Mrs. Sutherland and several other teachers will be at auditions for the performance acts.
- Please email Mrs. Sutherland at asutherland@frcs.org with questions!
- You must be ready to perform your act AT AUDITIONS. There may not be changes to the act following auditions unless it is approved.
- Please be sure to bring a music track if you plan to use one, OR email beforehand (karaoke background track on YouTube is the preferred method)
- With the number of elementary students and anticipated number of acts, there will most likely be cuts. Please work hard to present your act just as you will perform it.
- **Students may not be in more than two acts.**
- **Audition forms must be turned into the elementary office by Friday, February 7.**
